MM Docket No. 94-117

In the Matter of

Amendment of Section 73.202(b), RM-8520
Table of Allotments.
FM Broadcast Stations.
(Bulls Gap, Tennessee)

NOTICE OF PROPOSED RULE MAKING

Adopted: September 26, 1994; Released: October 5, 1994

Comment Date: November 28, 1994

Reply Comment Date: December 13, 1994

By the Acting Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Bulls Gap Broadcasting ("petitioner"), requesting the allotment of Channel 264A to Bulls Gap, Tennessee, as the community's first local aural transmission service. Petitioner filed a supplement to its petition which indicated its intention to apply for Channel 264A at Bulls Gap, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 264A to Bulls Gap¹ since it could provide the community with its first local FM service. Channel 264A can be allotted to Bulls Gap in compliance with the Commission's minimum distance separation requirements with a site restriction of 2.2 kilometers (1.4 miles) west in order to avoid a short-spacing conflict with the licensed operation of Station WZJS(FM), Channel 264A, Banner Elk, North Carolina.²

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Present ¹	Channel No.	Proposed
Bulls Gap, Tennessee	--		264A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **November 28, 1994**, and reply comments on or before **December 13, 1994**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Dan J. Alpert, Esq.
1250 Connecticut Avenue, N.W.
#700
Washington, D.C. 20036
(Counsel for petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. *See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
